## IN HOUSE FUNCTIONS @ retro's grand dining room

Our Grand Dining Room is a wonderful old ex-factory room, ever changing for both the corporate or private sector. We have a banquet table capable of seating 40 to 70 guests and up to 120 guests can be accommodated on an assortment of smaller tables. As a cocktail, exhibition or performance area, the room can hold between 60 and 180 guests.

With high ceiling, solid wood flooring and original red brick walls, the room is best highlighted with both free standing and table candelabras, which when lit, reflect back in the large old windows. In the past, we have had wonderful functions using vibrant coloured linen, gold, silver or glass urns filled with decorative fruits and candelabras.

If you would like to look over the room, please pop in and ask one of our friendly staff. If you prefer a consultation where we can fully discuss your specific requirements, please call the Retro Functions & Catering Consultant on 9419 1299 to make an appointment.

Grand Dining starts at \$59.00 per head for a delicious 3 course a la carte menu. Minimum of 40 guests applies.

Cocktail parties start at \$33.00 per head, for a minimum of 60 guests.

Beverage packages start at \$28.00 per head for 4 hours, with the bar closing no later than 12.30am. An open bar can also be provided with guests paying as they go, or with a bar tab placed prior to your function.

## SPECIAL EVENTS CATERING

Let us assist you in creating a special event that will have everyone raving. We will tailor make a package including the menu, presentation, drinks and service at a venue of your choice, to ensure your goals and budgets are met.

## BUFFET DINING

Consider buffet dining for formal celebrations, all day training sessions, management meetings and client entertaining. It can be delivered hot and ready to eat (including serving utensils), with professional staff to ensure your event is trouble free.

**Please call a Retro Functions & Catering Consultant  
on 9419 1299 to fully discuss your catering or function requirements.**
